

Steps to maintain LEI Code on CBRICS

1. Login to bricsonline.nseindia.com
2. Click on Participant Registration >> LEI Code

The screenshot shows the NSE LEI Code management interface. On the left is a navigation menu with options like 'My Bond Watch', 'Order Management', 'View Order Log', 'Instruments', 'Participants', 'Introduce Unreg. Participants', 'Participant Registration' (expanded to show 'New Bank Account', 'New DP Account', and 'LEI Code'), 'Clear & Settle', 'User Management', 'Reports', 'Bills', and 'Participant Profile'. The main area has a red header with 'LEI Code', a 'Refresh' button, and buttons for '+ Add LEI Code' and 'Unreg. Participant LEI Code'. Below is a table with columns 'Participant Code', 'LEI Code', and 'Expiry Date', containing the text 'No data available in table'.

3. Click on button 'Add LEI Code' to add LEI code with expiry date.

The screenshot shows the 'LEI Code' add form. It has a red header with 'LEI Code'. Below are three input fields: 'Participant Code:' with 'XXXX', 'LEI Code:' with 'LEI Code', and 'Expiry Date:' with 'Expiry Date'. Each field has a red asterisk. At the bottom right are 'Save' and 'Close' buttons.

4. Click on 'Save' button to save the LEI code. The LEI code will be effective till the expiry date.
5. Option is available to the participant to maintain a new LEI code before expiry of the old code.
6. Participants can check if LEI codes have been provided for unregistered participants. To check, click on button 'Unregistered Participant LEI Codes' in 'LEI code' tab. This will open a popup.
